# 2011 NATIONAL DIRECTORY OF COMMUNITY ACTION AGENCIES

## INTRODUCTION

Community Action Partnership is pleased to present The 2011 Community Action Directory. The Directory is provided as a membership service when an agency joins Community Action Partnership.

We encourage Community Action Agencies to help us to keep the information we provide current. Please email or fax any changes to Community Action Partnership to Sranda Watkins at [swatkins@communityactionpartnership.com](mailto:swatkins@communityactionpartnership.com). We wish to thank the Community Action network

for their response to our request for updates. We are continually working to assure that our information is as complete and accurate as possible.

The Directory is divided into five sections:

- I. Lists the name, address, phone number, fax number, email and web addresses of all Community Action Agencies as of January 2011
- II. State association presidents and executive directors.

III. Regional association presidents and executive directors.

IV. Community Services Block Grant (CSBG) Administrators. These names are listed alphabetically by state.

V. Individuals who have earned the designation of Certified Community Action professional (CCAP).

We thank you again for your assistance and for your continued support and participation in Community Action Partnership!
